Date: 01.02.19

Time: 1833 hours

Location: 400 Blk. Winding Way

Officers were dispatched to the 400 block of Winding Way for a vehicle crash. Upon arrival, officers from the San Antonio police department were on scene and provided an update for the Hill Country Village officers. One vehicle occupied by three individuals was traveling on the San Pedro access road from Brook Hollow Blvd. when a vehicle behind then started flashing the headlights at them. The driver pulled into the parking lot at the Clock Tower to see why the second driver was flashing them. The first driver did not recognize the second driver, but did notice the second driver's head appeared to be bobbing up and down as if they were nodding off. The first driver began to drive away at which time the second driver began ramming the back end of the first driver's vehicle. The first driver drove out of the parking lot and onto Winding Way. The first driver continued driving down Winding Way towards Bitters Road while the second vehicle continued to crash into the rear end of the vehicle. This behavior continued until the 400 block of Winding Way at which time the second driver lost control of the vehicle and crashed into a tree. No occupants of either vehicle sustained injuries from the collisions. Upon contact with the second driver, officers determined signs of intoxication were present. The second driver was placed under arrest and transported to the Bexar County Magistrate's for blood warrant collection. The second driver was charged with Driving While Intoxicated and Aggravated Assault. This case was forwarded to the Criminal Investigations Division.
